Instructions:
 Do not edit this sheet. Instead, click on the "Data" tab/sheet in the bottom left corner. Then, drag and drop the Memo you exported from the H2C Clipboard application onto the A1/ top left cell on the "Data" sheet. Click the "Process Data" button next to the data. Click back to this sheet "HTC Results" and you will see your results. If you know Excel, you can modify this sheet as you see fit to manipulate your data. And, you can save this sheet to keep track of your results year over year.
